

# PCLD-8753

An industrial terminal board with IDC interfaces and onboard CJC(cold junction compensation) circuits

## General Specifications

CJC circuits and 3 x IDC20 interface and 1 x IDC40 interface

Dimensions (L x H): 138.43mm x 99.06mm

## Ordering Information

Part Number

0060-003050

Model Number

PCLD-8753

Description

An industrial terminal board with IDC interfaces and onboard CJC (cold junction compensation) circuits
