

# ➤ MF1394

- IEEE 1394 Mini PCI card
- Support 2 IEEE1394 Ports
- Support TI TSB43AB22

## ➤ Product Overview

**MF1394** is a two channels IEEE 1394 ports, features TI TSB43AB22 chipset IEEE1394 function supporting advanced performance applications.

**MF1394** allows hot swap enhancing user friendly benefit. With MiniPCI interface fulfills extended requirements.

With **MF1394** you are

...always a Jump ahead!

## ➤ Technical Information

Form Factor	Mini-PCI Card
Chipset	TI TSB43AB22 chipset
I/O	2 x IEEE 1394 port (100Mbps)

Audio	AC'97 CODEC
Extension	MiniPCI Interface
Environmental	Operating Temperature: 0°C - +60°C, Humidity: 5% - 95%
